

WOODFORD COUNTY BOARD OF EDUCATION

330 Pisgah Pike • Versailles, Kentucky 40383-9214 • (859) 873-4701 Scott Hawkins, Superintendent

August 12, 2009

Dear Parent & Student,

As the district and schools continue the transition to our new student information system (Infinite Campus), we are finding new and exciting features to assist us in communicating information to you. The Campus Student Portal is a powerful tool provided by this program to communicate student data for instantly checking student information.

The student portal is now open for the use of students and parents to access posted grades, attendance, and more through the Infinite Campus Portal. **High School and Middle School students** can go to <https://infinitecampus.woodford.kyschools.us> and log in using their student number (located on the student's schedule) as their user name. The initial password will be their birth date in the form of MMDDYY.

Elementary students and their parents who want to access the student portal will need to go to the school to get the SSID number of the student. They will then go to <https://infinitecampus.woodford.kyschools.us> and log in using that number. The initial password will be the birth date in the form of MMDDYY. Please remember the information may vary from school to school.

We hope the Student Portal becomes an important tool for obtaining information for supporting student achievement and success at school. Please contact your school if you encounter any problems accessing the account.

Sincerely,

Woodford County Public Schools
Infinite Campus Core Team
